THE CITY OF BRUNSWICK

PROPOSED LEGISLATION

DATE: 6/24/2019

TO: Vice Mayor Michael Abella Jr. and Members of City Council

FROM: Carl S. DeForest, City Manager
Paul Barnett

COPY: Mayor Ron Falconi

LEGISLATION: **RES. NO. 46-19** - A resolution authorizing direct payment to Melway Paving Company, INC. for the city's proportionate share of the Laurel Road and South Carpenter Road Resurfacing Project. - **1st Reading** (To be brought from Services, Utilities, Technology & Cable Committee, Administration/Paul Barnett)

BACKGROUND: Resolution 102-18 was passed pledging cooperation with the Medina County Engineer and Brunswick Hills Township for the resurfacing of Laurel Road and South Carpenter Road in an amount not to exceed \$120,000. Both of these roadways share frontage in the City of Brunswick and also Brunswick Hills Township. The Medina County Engineer prepared the bid package, bid the work, opened the bids and prepared the bid tabulation. There were five(5) bidders and Brunswick Hills entered into contract with the lowest and best bidder, Melway Paving Company. Brunswick Hills Township will oversee the construction and process paperwork. Brunswick Hills has requested that the City of Brunswick, after construction is complete and inspected, pay the contractor directly for the City of Brunswick portion of the project.

The City also anticipates needing an additional \$10,000 for engineering coordination costs but will be covered under the engineering contract and is budgeted separately.

PURPOSE AND EXPLANATION: The purpose of this project is to cooperate with Brunswick Hills Township to provide a safe and smooth driving surface on two(2) roadways that both communities share responsibility for the roadway surface.

IMPLEMENTATION SCHEDULE: Construction is anticipated to begin in July, 2019.

FINANCIAL INFORMATION:

FINANCIAL SUMMARY: The estimated construction costs for the City of Brunswick's portion are not estimated to exceed \$120,000. Eligible and approved costs will be paid from the City's Road Improvement Fund #333. Payment will occur after the construction is complete and the Township and contractor approve and agree on quantities. The City will work with the Township to sign off on the quality of work and will agree to the final approval of work before any payment will occur.

EQUAL OPPORTUNITY EMPLOYER
AGREEMENT FOR COUNTY SPEC. 402 & ODOT ITEM 422
SINGLE CHIP AND SEAL WITH STIPULATED TRAFFIC CONTROL
2019 BRUNSWICK HILLS TOWNSHIP ROAD BID

This agreement made and entered into by and between the Board of Township Trustees, Brunswick Hills Township, 1918 Pearl Road, Brunswick, Ohio, 44212, hereinafter referred to as the "TOWNSHIP" and Melway Paving Company, Inc., 7571 State Route 83, Holmesville, Ohio, 44633, hereinafter referred to as the "CONTRACTOR."

WITNESSETH.

WHEREAS, the Township through the Office of the Medina County Engineer, did cause to be published in The Gazette, a newspaper of general circulation in Medina County, Ohio, on March 1, 2019, its Notice to Bidders inviting sealed bids for County Spec. 402 and ODOT Item 422 single chip and seal with stipulated traffic control; and

WHEREAS, in conformity with said Notice to Bidders, the Contractor did submit its bid to the Township; and

WHEREAS, by proper entry in its journal, the Township determined that the bid of the Contractor to be the lowest and best bid received, and did thereafter award the contract to the Contractor.

NOW, THEREFORE, in consideration of the mutual covenants contained herein the parties do agree as follows:

1. The Contractor agrees to furnish all specified materials, equipment, necessary labor and traffic control to perform all work required to complete the complete County Spec. 402 and ODOT Item 422 Single Chip and Seal with stipulated traffic control, according to Township specifications for the original bid sum of \$189,579.75. Actual payment up to said maximum is to be an aggregate total determined by the work actually performed by the Contractor.

2. All work to be performed and all materials furnished by the Contractor shall be in reasonably close conformity with the lines, grades, cross-sections, dimensions, and material requirements shown on the plans or indicated in the specifications.

In the event the Medina County Engineer finds the materials or finished product in which the materials are used not within reasonably close conformity with the plans and specifications, but that reasonably acceptable work has been produced, the Township shall then make a determination if the work shall be accepted and remain in place. In this event the Township will document the basis of acceptance by contract modification which will provide for an appropriate adjustment in the contract price for such work or materials as the County Engineer deems necessary to conform to his determination, based on engineering judgement.

In the event the Medina County Engineer finds the materials or the finished product in which the materials are used or the work performed are not in reasonable conformity with the plans and specifications and have resulted in an inferior or unsatisfactory product, the work or materials shall be removed and replaced or otherwise corrected by, and at the expense of, the Contractor.

3. The Contractor will be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the work. He will take all necessary precautions for the safety of, and will provide the necessary protection to prevent damage, injury or loss to all employees from the work and other persons who may be affected thereby.

4. The Contractor will comply with all applicable laws, ordinances, rules, regulations and order of any public body having jurisdiction. He will erect and maintain as required by the conditions and progress of the work, all necessary safeguards for safety and protection.

5. The Contractor will supervise and direct the work. He will be solely responsible for the means, methods, techniques, sequences and procedures of construction.

6. The Contractor shall furnish, install and maintain all necessary barricades, construction signs, and other traffic control devices in accordance with the Manual of Uniform Traffic Control Devices. The Contractor shall take all necessary precautions for the protection of the work and the safety of the public.

7. The Contractor shall furnish flaggers, appropriately equipped and instructed, when required, to regulate the flow of vehicular traffic around and through the work.

8. Final payment made to the Contractor for work performed under this agreement shall be made within thirty (30) days from the date of completion or acceptance, whichever is later, by the Township. Acceptance by the Township may require a finding by the County Engineer that the project as completed has met all Township requirements.

9. Partial payments for work performed shall be made monthly at the rate of ninety-two percent (92%) of estimates prepared by the Contractor and approved by the Medina County Engineer. All labor performed after the job is fifty percent (50%) completed, shall be paid at one hundred percent (100%) of the estimates submitted by the Contractor and approved by the Medina County Engineer.

10. From the date the contract is fifty percent (50%) completed, as evidenced by payments in the amount of at least fifty percent (50%) of the contract, the retainage shall be deposited in the escrow account as set forth in paragraph 16.

11. When the major portion of the project is substantially completed and occupied or

in use, or otherwise accepted, and there exists no other reason to withhold retainage, the retained percentage held in connection with such project, shall be released from escrow and paid to the Contractor, withholding only that amount necessary to assure completion. Funds in the escrow account not heretofore paid, with accumulated interest, shall be paid to the Contractor thirty (30) days from the date of completion or acceptance by the Township.

12. Partial payment not to exceed ninety percent (90%) shall be allowed upon the written authorization of the County Engineer, upon such conditions as he prescribes, for material delivered safely in the vicinity of the project.

13. Contractor agrees that no subcontractor shall be utilized for work under this contract unless first approved in writing by the Township, who agrees such approval shall not unreasonably be withheld.

14. Any subcontractor employed under this agreement shall be required to comply with the completion date set forth herein, and his failure to so comply shall subject the Contractor to the penalty provided in paragraph 23 of this agreement.

15. The parties hereto designate the following bank or savings and loan association to act as escrow agent for the Contractor per Section 153.63 of the Ohio Revised Code, _____.

16. Any money which is due the Contractor, shall be paid the Contractor on the date due, or if disputed, shall be deposited in such escrow account, along with all retainage after the contract is fifty percent (50%) completed.

17. The money so deposited shall be placed in a savings account, or the escrow agent shall properly invest all of the escrow principal in obligations selected by the escrow agent and approved by the Contractor and the Township, in writing.

18. The escrow agent designated herein, shall hold the escrow principal and income

until receipt of notice from the Township and the Contractor, or until receipt of an arbitration order specifying the amount of the escrow principal to be released and the person to whom it is to be released. Upon receipt of the notice or order, the agent shall promptly pay such amount of principal and proportionate amount of the escrow income to the person indicated.

19. The escrow shall be compensated for its services as agreed to by the Township and the Contractor from the income from the escrow account.

20. When the parties disagree as to the conditions under which money is to be paid, the parties shall apply for a decision by arbitration under the procedures of Chapter 2711 of the Ohio Revised Code. When application is made, neither party shall initiate and no court shall permit the maintenance of, an action in court for decision of the same issue sought to be determined in the arbitration. The award made by the arbitrator may include the cost of arbitration. The arbitration shall be binding on all parties.

21. If the money required to be paid, or deposited under the escrow provisions of this section is not paid to the Contractor, or deposited with an escrow agent, the Township shall pay the Contractor an amount equal to eight percent (8%) annual interest compounded daily.

22. The Contractor agrees to complete all work by September 13, 2019. If the work is not completed by the time herein fixed, the Township or its agent shall thereafter keep an accurate account of all expenditures for inspection, supervision and all other similar technical services incurred in connection with the work after the expiration of the time fixed. The amount thereof shall be retained out of any sums due or to become due to the Contractor.

23. In addition, the parties agree that the Contractor shall pay liquidated damages to Brunswick Hills Township at the rate stated in State of Ohio Department of Transportation, "Construction and Material Specifications," 2016 Edition, Item 108.07, \$400.00 per calendar day, to recover damages for delay only, for each day of delay not approved by the Township.

24. If, in the opinion of the Township, the Contractor has not commenced his work within a reasonable time, does not carry such work forward with reasonable progress, is improperly performing his work, or has abandoned or failed to complete the contract, the Township shall make a finding to the effect, and enter such finding on its journal, and so notify the Contractor, in writing, and the right of the Contractor to control and supervise the work shall immediately cease.

25. In such instance, the Township shall forthwith give written notice to the sureties on any bond of the Contractor of such action. If, within ten (10) days after receipt of such notice, such sureties or one or more of them notify the Township, in writing, of their intentions to enter upon and complete the work covered by such contract, such sureties shall be permitted to do so, and the Township shall allow them twenty (20) days after the receipt of such notice in writing from such sureties within which to enter upon the work and resume construction, unless the time is extended by the Township upon good cause shown.

26. If, after receiving notice of the action of the Township in terminating the contract of the Contractor over the work covered by this contract, the sureties on such Contractor's bond do not within ten (10) days give the Township the written notice provided for in this section, or having done so, fail to carry such work forward with reasonable progress or improperly perform, abandon, or fail to complete the work by such contract, the Township shall complete the work. The Township shall first advertise the work for letting as provided by law and the estimated cost at which the work shall be let shall be the difference between the original contract price and the amount paid to original Contractor, and a contract shall not be let at a price in excess of the amended estimate.

If no bids to complete the work are received, the Township shall cause that part of the work still uncompleted to be re-estimated, shall re-advertise it at the amended estimate and shall

not let the work for more than such re-estimate. If the estimated cost of completing the contract does not exceed FIFTEEN THOUSAND DOLLARS per mile, the Township may contract without bid, or complete by force account as set forth in the Ohio Revised Code.

27. Contractor agrees that in the hiring of employees for the performance of work under this contract, it shall pay the minimum wage in accordance with the Schedule of Prevailing Wage Rates ascertained and determined by the Ohio Department of Commerce, Division of Labor and Worker Safety, as applicable to Medina County, Ohio, in compliance with Section 4115.07 of the Ohio Revised Code.

28. Contractor further agrees to require in any subcontract granted for performance of any work required under this contract, compliance by the subcontractor with the minimum wage set forth in the Schedule of Prevailing Hourly Wage Rates ascertained and determined by the Ohio Department of Commerce, Division of Labor and Worker Safety, as applicable to Medina County, Ohio, in compliance with Section 4115.07 of the Ohio Revised Code.

29. Contractor agrees to provide Worker's Compensation coverage on all employees utilized on this job, or to see that such coverage is provided by any subcontractor utilized. Contractor further agrees to hold the Township harmless and to indemnify and defend the Township of Brunswick Hills, its trustees, officers, employees and agents against any claim for damages arising against them as a result of failure to provide such coverage.

30. Contractor further agrees in order to protect itself as well as the Township of Brunswick Hills under this agreement, that it shall provide to the Township upon request, proof of the coverage required herein.

31. Contractor still further agrees that in the hiring of employees for the performance of work under this contract, or any subcontract, that neither the Contractor, nor any subcontractor hired by him, or any person acting on their behalf, shall by reason of race, creed, sex, handicap,

color or military status as defined in Section 4112.01 of the Revised Code, discriminate against any citizen of the State in the employment of laborers and workers who are qualified and available to perform the work for which this contract relates; and further, neither the Contractor, nor any subcontractor employed by him, or any person on their behalf, shall in any manner, discriminate against, or intimidate any employee hired for the performance of work under this contract or any subcontract, on account of race, creed, sex, handicap, color or military status as defined in Section 4112.01 of the Revised Code.

32. Contractor agrees that there shall be deducted from the amount payable hereunder by the Township a forfeiture of TWENTY-FIVE DOLLARS for each person who is discriminated against or intimidated in violation of this contract; and that for any second or subsequent violation, this contract shall be canceled or terminated by the Township, and all money to become due hereunder may be forfeited.

33. The Contractor will indemnify and hold harmless the Township of Brunswick Hills, its trustees and the County Engineer and their agents and employees from and against all claims, damages, losses and expenses, including attorney fees arising out of or resulting from the performance of the work, provided that any such claims, damage, loss or expense is attributed to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property including the loss of use resulting therefrom; and is caused in whole or in part by any negligent or willful act or omission of the Contractor or sub-contractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable.

The Contractor shall be fully responsible to the owner for the acts and omissions of his sub-contractors and of persons either directly or indirectly employed by them, as he is for the acts and omissions of persons directly employed by him.

34. Contractor further agrees that in order to protect himself, as well as the Township

of Brunswick Hills under the indemnity agreement provision hereinabove set forth, that the Contractor will, at all times during the term of this agreement, have and keep in force a general liability insurance policy in the amount of not less than ONE MILLION DOLLARS property damage, and ONE MILLION DOLLARS bodily injury; which policy shall name Brunswick Hills Township, the Brunswick Hills Township Trustees and Medina County Engineer as additional insureds, and provide a minimum of ten (10) days' notice to all insureds prior to cancellation.

35. Contractor has provided a Certificate of Insurance to the Township in compliance with the above terms, and agrees it shall not be canceled or materially changed without having in effect another policy to meet the above terms of paragraph 34 and without giving prior notice thereof to the Township.

36. It is still further agreed by and between the parties that no assignment, or transfer of this contract, or any part thereof, or any monies due, or to become due hereunder, shall be made by the Contractor without the written consent of the Township, but except as aforesaid, this contract shall be binding upon and shall inure to the benefit of the successors and assigns of the parties.

37. If a certified check, cashier's check or letter of credit was utilized in bidding, upon execution of this contract and execution of a performance bond in the sum of one hundred percent (100%) of the bid, said certified check, cashier's check or letter of credit shall be refunded.

38. The parties agree that the provisions of this contract are governed by the laws of the State of Ohio and that in any instance of conflict between the language of this contract and the language of the Ohio Revised Code, that said sections and chapters of the Ohio Revised Code shall prevail.

39. The parties still further agree that the following documents attached hereto shall be incorporated herein, and made a part of this contract as if fully rewritten:

Attn: Paul E. Barnett
RE: Asphalt Resurfacing of Laurel Road and South Carpenter Road

Dear Mr. Barnett;

We are happy to work with the City to provide both your citizens and our citizens a smooth and safe driving surface through this resurfacing project. As provided to you earlier are the completed bid and completed agreement with Melway Paving Company, low bidder, for the resurfacing of the above captioned roadways. The City passed resolution 102-18 committing to cooperate on this project. We are in agreement with your request to split the costs for this work per the front property footage percentages as follows:

South Carpenter Road from Laurel to Sleepy Hollow: 24.1% City and 75.9% Township

Laurel Road from South Carpenter to West 130th Street: 62.9% City and 37.1% Township

We will be providing construction inspection for the project at our cost. Our intent is to provide final quantities at the end of construction showing the total cost to the contractor for each roadway separately along with the percentage of City share. We are requesting that the City share of the payment be made directly to Melway Paving.

Thank you for your consideration. We look forward to partnering with you now and in the future.

Sincerely,

Paul Magovac

NOTICE OF BID

Bids are requested for County Spec. 402 Intermediate Asphalt Course & ODOT Item 422 Single Chip & Seal with stipulated Traffic Control on 1.41 mile of roads in Brunswick Hills Township, Medina County, Ohio.

Bid forms and specifications can be obtained daily by calling the Brunswick Hills Administration Building at 330-220-8182 between the hours of 8:00 a.m. and 3:00 p.m., Monday through Friday at a cost of \$10.00. Electronic copies of the bid documents can be obtained free of charge from the Medina County Engineer web page at www.highwayengineer.co.medina.oh.us.

All bids will be accepted no later than March 21, 2019 at 1:30 P.M. at the Office of the Medina County Engineer, 791 West Smith Road, Medina, Ohio 44256 at which time all properly-filed bids will be publicly opened and read aloud.

All bids must be filed on forms provided by the Township and submitted in a sealed envelope clearly marked "2019 Brunswick Hills Township Road Bid" prior to the time and date set forth above.

The Engineer's Estimate is **\$ 231,794.69**. All resurfacing shall be completed by September 13th, 2019.

Each bidder shall be required to file a bid guaranty with the bid in the form of either: (1) a Bid/Performance Bond in the amount of one-hundred percent (100%) of the amount bid; or (2) a Certified Check, Cashier's Check or Letter of Credit shall equal to 10% of the amount bid, conditioned that the bidder shall, if his bid is accepted, execute a contract in conformity with the bid, plans, details, specifications and bills of material. A Letter of Credit shall be revocable only at the option of the Township.

Additional documents that must be submitted with the bid are specified in the "Instruction to Bidders" portion of the bid documents.

All contractors and subcontractors involved with the project will, to the extent practicable, use Ohio products, materials, services, and labor in the implementation of their project. Additionally, contract compliance with the Equal Opportunity requirements of Ohio Administrative Code Chapter 123, the Governor's Executive Order of 1972, and the Governor's Executive Order 84-9 shall be required.

Bidders must comply with Prevailing Wage Rates on public improvements in Medina County, Ohio as determined by the Ohio Department of Commerce, Division of Labor and Worker Safety.

The bid will be awarded to the lowest and best bidder.

NOTICE OF BID (CONT'D.)

The Brunswick Hills Township Trustees reserve the right to reject any and all bids.

INSTRUCTIONS TO BIDDERS

2019 BRUNSWICK HILLS TOWNSHIP ROAD BID FOR COUNTY SPEC. 402 INTERMEDIATE ASPHALT COURSE & ODOT ITEM 422 SINGLE CHIP & SEAL WITH STIPULATED TRAFFIC CONTROL

SECTION I.

Bid Proposals shall be addressed to the Board of Brunswick Hills Township Trustees.

Bids shall be enclosed in a sealed envelope marked "**2019 BRUNSWICK HILLS TOWNSHIP ROAD BID**" and shall bear the name of the bidder. All bids will be opened at the time and place stated in the "Notice of Bid."

No Bidder may withdraw his bid for a period of sixty (60) days after the date of bid opening, except as provided in Section 9.31 or Division (G) of Section 153.54 of the Ohio Revised Code. If it is not accepted within such period, such bid may be withdrawn without prejudice.

Each Bid shall contain the documents listed below in the following order:

1. Notice of Bid
2. Instructions to Bidders
3. Bid Guarantee/Performance Bond, **(Exhibit A)**
4. Statement of Bidder Resources and Experience, **(Exhibit B)**
5. Non-Collusion Affidavit, **(Exhibit C)**
6. Personal Property Tax Verification Affidavit, **(Exhibit D)**
7. Independent Contractor Indemnification Clause, **(Exhibit E)**
8. A State of Ohio, Equal Opportunity Division, Certificate of Compliance
9. Engineer's Estimate, (Summarized)
10. Bid Statement and Summation
11. Contractor's Bid Blank(s)
12. Supplemental Specifications
13. Prevailing Wage Rate Schedule

Submitted Bids must include the following completed documents:

1. Bid Guarantee/Performance Bond, **(Exhibit A)**
2. Statement of Bidder Resources and Experience, **(Exhibit B)**
3. Non-Collusion Affidavit, **(Exhibit C)**
4. Personal Property Tax Verification Affidavit, **(Exhibit D)**
5. Independent Contractor Indemnification Clause, **(Exhibit E)**
6. A State of Ohio, Equal Opportunity Division, Certificate of Compliance
7. Bid Statement and Summation
8. Contractor's Bid Blank(s)

SECTION II.

Each bidder shall satisfy the Board of Brunswick Hills Township Trustees by reference to work which he has performed, and by the equipment he utilizes, that he is fully competent to properly execute the work required by these specifications by the stipulated completion date, **(See Exhibit B)**.

SECTION III.

Bids shall be submitted using the attached blank forms, designed for such purpose. These forms must be completed intact, without removal of any part, must recite the full name of the party making the Bid, and must be properly signed.

In each blank marked "unit price", bidders are required to provide a Bid price per referenced unit for the requested materials, labor, or equipment, or referenced combination thereof. Failure to provide a price for each unit price item, or failure to provide prices for lump sum items, will render the Bid informal, allowing its rejection at the Township's discretion.

Extended unit prices are calculated by multiplying the bidder's unit price entries times their respective approximate quantities. The resultant extended unit price figures, in addition to any lump sum prices, are added to calculate the amount of each Bid.

The sum of the extended unit prices and lump sum prices provided by each Bidder shall comprise that Bidder's Bid price for consideration of award of contract. If an error is made in the extension of the unit prices, or in the addition of the unit and lump sum prices, the accurate extended unit prices and total shall govern.

Quantities provided by the Bid Documents are estimates only. The Township reserves the right to eliminate, increase, or decrease the actual quantity of any unit price item, or to non-perform any lump sum item. Sections 104.01D and 104.01E of the CMS will be excluded from use in this project.

SECTION IV.

Bidders must carefully examine the Bid Documents and perform a reasonable site investigation before submitting a Bid. Submission of a Bid is an affirmative statement that the Bidder has investigated the Project site and is satisfied as to the character, quality, quantities, and conditions to be encountered in performing the Work. A reasonable site investigation includes investigating the Project site and all other locations related to the performance of the Work.

SECTION V.

Each Bid shall be accompanied by a bid guarantee, in the form of a Bid/Performance Bond, a Certified Check, a Cashier's Check, or a Letter of Credit, in conformity with the requirements of Sections 153.54 and 153.571 (B) of the Ohio Revised Code. If A Bid/Performance Bond (Exhibit A) is used, the Bond shall be in the full amount of the bid

and signed by a Surety company authorized to do business in the State of Ohio, and accompanied by the Surety's sufficient power of attorney affirming said signature. If a Certified Check, Cashier's Check, or Letter of Credit is used, the instrument shall be drawn on a solvent bank in an amount not less than ten percent (10%) of the Bid. A letter of credit shall be revocable only at the option of the Township. The bid guarantee shall be given as security that, if the Bid is accepted, the Bidder will enter into a contract in conformity with the Bid, plans, details, specifications and bills of material.

All bid guarantees shall be made payable to the order of the **BRUNSWICK HILLS TOWNSHIP BOARD OF TRUSTEES, MEDINA COUNTY, OHIO**. Should a bid be rejected, the bid guarantee submitted in the form of a Certified Check, Cashier's Check, or Letter of Credit will be returned immediately upon the awarding of the contract, or decision to reject all bids. If a ten percent (10%) bid guarantee is used, the successful bidder will be required to submit a one-hundred percent (100%) performance bond as set forth in Exhibit A within ten (10) days of written notice of acceptance of his bid.

If for any reason, other than as authorized by Section 9.31 of the Ohio Revised Code or Division (G) of Section 153.54, the bidder to whom the contract shall have been awarded shall refuse or neglect within ten (10) days after due notice that the contract has been awarded to them to execute the same and furnish security in the amount required, the bidder, or its surety, shall be liable to the Township for the difference between the previously accepted bid, and that of the next lowest bidder, or a penal sum not to exceed ten percent (10%) of the grand total bid, whichever is less. If the Township rebids the project, a sum not to exceed ten percent (10%) of the grand total bid, or the costs in connection with the resubmission of, printing new contract documents, required advertising and printing, and mailing notices to prospective bidders, whichever is less.

Copies of the bid and bid guarantee shall be endorsed with the name of the bidder, and filed in the same envelope. Bonds or letters of credit must also be endorsed by the surety or sureties. Names of endorsers shall also be typed immediately below the signatures.

SECTION VI.

The Contractor shall guarantee all materials and work performed for a period of two (2) years from the date of completion. The Contractor warrants and guarantees for a period of two years from the date of completion of the project that all items performed are free from defects due to faulty materials or workmanship and the Contractor shall promptly make such corrections as may be necessary by reason of such defects including the repairs of any damage to other parts of the project resulting from such defects. The County will give notice of observed defects with reasonable promptness. In the event that the Contractor should fail to make such repairs, adjustments, or other work that may be necessary by such defects, the County may do so and charge the Contractor the costs thereby incurred. The Maintenance Bond shall remain in full force and effect through the guarantee period. Said Bond shall be supplied at completion of the project and after passage of the final inspection for a two (2) year period in the amount of ten percent (10%) of the construction cost, specifying the **Board of Brunswick Hills Township Trustees** and the **Board of Medina County**

Commissioners as the protected parties.

SECTION VII.

Securities Approval:

The Board of Brunswick Hills Township Trustees shall determine the sufficiency of all securities. All bonds filed pursuant to this bid offer shall be issued by a surety company authorized to conduct business in this state as surety, approved by the Board of Brunswick Hills Township Trustees.

SECTION VIII.

Minimum Wages:

Wages to be paid to all labor employees on this contract shall be in accordance with the Ohio Department of Commerce, Division of Labor and Worker Safety. Bidders are cautioned to assure the completeness of said wage schedules, and to notify the Township prior to the bid date of any omitted schedules.

The Contractor agrees to provide the Township with full and complete documentation of payment of prevailing wages to all employees of the Contractor and of its subcontractors governed by Prevailing Wage law.

The Contractor further agrees to stay informed of applicable prevailing wage rates and to immediately inform all its subcontractors and the Township of such changes. The Contractor agrees to defend and indemnify the Township, its elected officials, agents and employees, against all claims, actions, demands, judgments, settlements, damages, liabilities, losses, and costs of any kind, including, but not limited to, reasonable fees of attorneys and experts, arising from or related to the Contractor's failure to inform its subcontractors of changes in prevailing wage rates.

SECTION IX.

Other Costs and Requirements:

Bids must include all costs of furnishing labor, materials, equipment, supervision, coordination, and all other things necessary for the full and complete performance of the project and all costs of fulfilling the requirements of laws, rules, and regulations pertaining thereto. The following is a partial list of ancillary contract costs and requirements. Said list is provided for the convenience of Bidders, to assist in their inclusion of all components of costs and fulfillment of all requirements, though this list does not recite all such costs and requirements.

1. Bids must include the cost of all required bonds.
2. Bids must include the cost to procure all permits and licenses, to pay all charges, fees and taxes, and to provide all notices necessary and incidental to the due and lawful prosecution of the Work.

3. Bids must include the cost of insurance coverage of the type and at least in the amounts set forth in the specifications and bid provisions.
4. Brunswick Hills Township is exempt from all sales, excise, and transportation taxes, with the exception of State of Ohio motor fuel tax. Bid prices shall exclude all such taxes.

SECTION X.

Liability:

The Contractor shall comply with all provisions of the laws and rules of the Ohio Bureau of Workers' Compensation covering all operations under the Contract whether performed by the Contractor or its subcontractor. Contractor will agree to provide workers' compensation coverage on all employees utilized under this Agreement, as required by Ohio law, or to see that such coverage is provided by any subcontractor utilized. Contractor further will agree to hold the Township harmless and indemnify and defend the Township's trustees, officers, employees, and agents against any claim for damages raised against them as a result of Contractor's failure to provide or assure such coverage.

The Contractor shall provide general liability insurance while work is in progress and during the time the contract is in effect. The amount of coverage shall be a Minimum of **ONE MILLION DOLLARS (\$1,000,000) property damage and ONE MILLION DOLLARS (\$1,000,000) bodily injury.**

The Contractor shall provide comprehensive automobile liability insurance for all owned, non-owned, and hired vehicles. The amount of coverage for each occurrence shall be a Minimum of **ONE MILLION DOLLARS (\$1,000,000) property damage and ONE MILLION DOLLARS (\$1,000,000) bodily injury.**

A Certificate of Liability Insurance must be submitted to the Brunswick Hills Township Trustees and made an attachment to the successful bid prior to the execution of the contract agreement. Said Certificate of Liability Insurance shall name **Brunswick Hills Township, the Brunswick Hills Township Trustees, and The Medina County Engineer** as additional insureds.

The Contractor shall be liable for all amounts including that in excess of the insurance, if any, and the Contractor shall agree, in writing, to hold the Township harmless from all claims of damages resulting from the work undertaken.

Should Contractor's policy of liability insurance be canceled or subject to reduction of coverage, Contractor will immediately notify the Township of such cancellation or reduction and shall use its best efforts to obtain the level of coverage required by this Contract. The inability of Contractor to obtain such replacement coverage may warrant the immediate suspension of this contract, at the sole discretion of the Township.

SECTION XI.

Personal Property Taxes:

Brunswick Hills Township, prior to entering into a formal contract with the successful bidder will receive from the contractor, a signed affidavit stating their personal property tax liability to Medina County. This form shall be included in this package, **(Exhibit D)** .

SECTION XII.

Factors for Acceptance or Rejection of Bids:

1. Pursuant to Ohio Revised Code 5575.01 and 5575.02, a contract shall be awarded to the lowest and best Bid.
2. Any Bid which is incomplete, conditional, obscure, or which contains additions not called for or irregularities of any kind, may be rejected.
3. The Township reserves the right to reject any and all Bids, and also the right to waive any informality in the Bid. The Township has the right to postpone the decision to award a contract for up to forty-five (45) days.
4. No contract shall be awarded to any person, firm, or corporation that is in arrears or is in default to the Township upon any debt or contract, or that is in default as surety or otherwise upon any obligation to the Township, or that has an unresolved finding of recovery with the State Auditor, or has been debarred by the Township or Medina County from consideration for contract awards.

SECTION XIII.

Precautions:

All Bidders should take the following precautions in preparing his bid:

1. Sign and fill out each proposal completely. Only bid documents filled out with permanent marking instruments (i.e., pen or typewriter) will be considered in awarding of the contract. Bid documents totals and signatures completed with pencil will not be read or accepted.
2. Make sure the bid guarantee is properly executed and signed.
3. Where a guaranteed bond is utilized, make sure it is properly executed and signed by both the surety and the bidder, with the names of the parties signing typed immediately below their signatures; affix any corporate seal.

4. Make sure that the agent of the surety bonding company can furnish on demand.
 - a. credentials showing his power of attorney.
 - b. certificate showing the legal right of the company to conduct business in the State of Ohio.

SECTION XIV.

Interpretations of Bidding Documents:

Bidders shall promptly notify the County Engineer through Dan Becker, Project Engineer, (330) 723-9655, of any ambiguity, inconsistency or error which he may discover upon examination of the bidding documents. Bidders requiring clarification or interpretation of the bidding documents shall make a written request to the Township, prior to the date of bid opening.

Any written interpretation, correction or change of the bidding documents will be made by addendum. Interpretations, corrections or changes of the bidding document made in any other manner will not be binding, and the bidders shall not rely upon such interpretations, corrections and changes.

SECTION XV.

Payment:

The successful contractor will bill Brunswick Hills Township for the items (or proposals) included in this bid.

Retainage requirements as detailed in the contract shall be followed in order to process invoices.

Invoices shall itemize actual quantities of materials used (by proposal) in the same form as the Contractor's Bid Blank.

Completed invoices will be addressed to the Brunswick Hills Township Board of Trustees and sent directly to the Township Fiscal Officer.

Approved invoices will be forwarded to the Township Trustees for payment.

The Township will remit payment of approved invoices directly to the Contractor within 45 days of the date that the invoice is received by the Township.

2019 BRUNSWICK HILLS TOWNSHIP ROAD BID

MEDINA COUNTY, OHIO

FORM OF BID GUARANTEE / PERFORMANCE BOND

"KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned

Melway Paving Company, Inc. as principal

and Ohio Farmers Insurance Company as sureties,

are hereby held and bound unto **Brunswick Hills Township Trustees** as obligee in the penal sum of the Dollar Amount of the bid submitted by the principal to the obligee on

March 21, 2019 to undertake the project known as **The 2019 Brunswick Hills Township Road Bid**. The penal sum referred to herein shall be the Dollar Amount of the principal's bid to the obligee, incorporating any additive or deductive alternate proposals made by the obligee. In no case shall the penal sum exceed the amount of _____ DOLLARS. (If the foregoing blank is not filled in, the penal sum will be the full amount of the principal's bid, including alternates. Alternatively, if the blank is filled in, the amount stated must not be less than the full amount of the bid including alternates, in dollars and cents. A percentage is not acceptable.) For the payment of the penal sum well and truly to be made, we hereby jointly and severally bind ourselves, our heirs, executors, administrators, successors, and assigns.

Signed this 12th day of March, 2019.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that whereas the above-named principal has submitted a bid for The 2019 Brunswick Hills Township Road Bid.

NOW, THEREFORE, if the obligee accepts the bid of the principal and the principal fails to enter into a proper contract in accordance with the bid, plans, details, specifications, and bills of material; and in the event the principal pays to the obligee the difference not to exceed ten percent (10%) of the penalty hereof between the amount specified in the bid and such larger amount for which the obligee may in good faith contract with the next lowest bidder to perform the work covered by the bid; or in the event the obligee does not award the contract to the next lowest bidder and resubmits the project for

bidding, the principal pays to the obligee the difference not to exceed ten percent (10%) of the penalty hereof between the amount specified in the bid, or the costs, in

[EXHIBIT A] – Cont'd

connection with the resubmission of, printing new contract documents, required advertising, and printing and mailing notices to prospective bidders, whichever is less, then this obligation shall be null and void, otherwise to remain in full force and effect; if the obligee accepts the bid of the principal and the principal within ten (10) days after the awarding of the contract enters into a proper contract in accordance with the bid, plans, details, specifications, and bills of material, which said contract is made a part of this bond the same as though set forth herein;

Now, also, if the said Melway Paving Company, Inc.

shall well and faithfully do and perform the things agreed by

The Brunswick Hills Township Trustees of Brunswick Hills Twp., Medina County, Ohio to

be done and performed according to terms of said contract; and shall pay all lawful claims of subcontractors, material, men, and laborers, for labor performed and materials furnished in the carrying forward, performing, or completing of said contract; we agreeing and assenting that this undertaking shall be for the benefit of any material men or laborer having a just claim, as well as for the obligee herein; then this obligation shall be void; otherwise, the same shall remain in full force and effect; it being expressly understood and agreed that the liability of the surety for any and all claims hereunder shall in no event exceed the penal sum amount of this obligation as herein stated.

The said surety hereby stipulates and agrees that no modifications, omissions, or additions, in or to the terms of the said contract or in or to the plans or specifications therefore shall in any wise affect the obligations of said surety on its bond.

INDEPENDENT CONTRACTOR INDEMNIFICATION CLAUSE

The contractor and the owner mutually agree that the relationship formed by this agreement is intended to be that of customer and independent contractor, and is not an employment relationship. The contractor hereby represents that it is not an entity over whom the National Labor Relations Board has ever declined jurisdiction.

The contractor further agrees and covenants that, should a safety issue or complaint arise from, or involving, an employee, agent or representative of the contractor; the contractor will indemnify and hold the owner harmless, and will assume all legal and financial responsibility for said issue or complaint including, but not limited to, all fines, fees, costs, corrective action, provision of equipment, training and administration.

The contractor further agrees and covenants that, should a safety related issue, suit, or complaint be filed against the owner by an employee, agent, or representative of the contractor, the contractor will pay all associated costs of the owner, as the owner deems necessary, in order to defend, correct, or resolve said issue or complaint.

**2019 BRUNSWICK HILLS TOWNSHIP ROAD BID
FOR
COUNTY SPEC. 402 INTERMEDIATE ASPHALT COURSE &
ODOT ITEM 422 SINGLE CHIP & SEAL
WITH STIPULATED TRAFFIC CONTROL**

SUPPLEMENTAL SPECIFICATIONS

I. PROJECT SCOPE

Bids are requested for County Spec. 402 Intermediate Asphalt Course & ODOT Item 422 Single Chip & Seal with stipulated Traffic Control on 1.41 mile of roads in Brunswick Hills Township, Medina County, Ohio.

Application rate for the ODOT Item 422 seal coat included in the individual proposals can/should be adjusted by the Contractor to rates appropriate to the conditions he finds at the time of application. At no time shall the adjusted rates exceed those specified without **prior** approval by the Brunswick Hills Township Trustees.

The Township reserves the right to eliminate, increase or decrease the estimated quantities of any line item or to non-perform any lump sum item.

The Contractor shall be capable of adjusting to these demands and perform any additional work as directed by the Board of Trustees or their representative.

The Contractor will be responsible for supplying all aggregate needed for the project.

II. PROJECT STARTUP/COMPLETION

Before construction starts on any portion of this project, the Township shall notify all emergency agencies, post offices, the local school district, and residents affected by the improvement and advise each of the estimated time that the project is expected to take.

Work shall be completed to the satisfaction of the Township and the road(s) shall be opened by **September 13th, 2019**. Should the work not be complete by **September 13th, 2019**, the contractor may be subjected to pay liquidated damages at the rate specified in ODOT 108.07, in addition to the costs incurred by the Township for inspection supervision and other related engineering expenses.

Any request for extension of the completion date must be made by the contractor, in writing, fifteen (15) days prior to the original completion date. The Contractor shall state reasons for and the number of days requested for the extension.

The Contractor shall supply sufficient proof of the need for extension such as diary of days lost due to extraordinary weather, extra work authorized by the Township, and/or circumstances beyond control. The Township will only consider an extension of completion after receiving a written request. Extension of the completion date shall only be given upon the approval of the Board of Township Trustees.

Delays caused by Contractor scheduling conflicts and Contractor ordering of materials will not be considered as grounds for extension approval.

III. SPECIFICATIONS & TERMS

The Construction & Material Specifications of the State of Ohio, Department of Transportation (CMS) (latest edition as of the date of advertisement), excluding sections 102 and 103 titled "Bidding Requirements and Conditions" and "Award and Execution of Contract" shall serve as standard specifications for contract work awarded hereunder. Said Construction & Material Specifications are referenced herein as the "Standard Specifications". Requirements, terms, conditions and covenants of the Contract, Instructions to Bidders, Supplemental Specifications, and Bid Documents shall control over conflicting terms found in the Standard Specifications. Wherever in the contract documents reference is made to the CMS, the provisions of the referenced Item shall have the full force and effect as if rewritten herein.

However, the method of measurements, basis of payment, and pay items shall be directed in the material specifications or bid proposal forms. The Contractor shall be responsible for providing his own copy of the CMS.

Wherever the following terms appear in the Standard Specifications, said terms shall have the following meaning:

A. The terms "State", "State of Ohio", "Department", and "Department of Transportation" refer to the Township, acting through its Board of Trustees.

B. The terms "Director" and "DDD" refers to the Board of Township Trustees or it's duly authorized representative.

C. The terms "DCE" and "Engineer" refers to the Medina County Engineer fulfilling his statutorial obligation to the Brunswick Hills Township Board of Trustees.

D. The term "Laboratory" refers to such testing laboratory or consultant as shall be designated by the Board of Township Trustees or it's duly authorized representative.

A numerical designation for an "Item" referenced herein refers to the description of said Item Number as provided by the Standard Specifications. Bidders are specifically referred to the definitions provided by section 101.03 of the Standard Specifications. Any undefined trade and technical words and terms shall be deemed to have the meaning established by trade usage in the highway/bridge construction and civil engineering consultation business.

All work and materials furnished shall conform to the CMS, unless otherwise indicated in the Supplemental Specifications or as directed by the Board of Township Trustees. Materials and/or products used for this project shall have their specifications submitted to the project coordinator at the pre-construction meeting for review.

IV. OTHER CONTRACTOR DUTIES

In addition to the duties cited by the Standard Specifications and elsewhere in these Bid Documents, the Contractor has the following duties:

A. The Contractor shall diligently protect and preserve all stakes, paint marks, bench marks and survey monuments set or used by the Township or County, and shall be responsible for securing therefrom proper lines, stationing and check of application rates for the resurfacing work to be performed. All necessary control lines and grades will be given to the Contractor by the Township. The Township will provide construction staking as needed by the Contractor. There will be no cost to the Contractor, if proper advance notice (5 working days) is given. Request for construction staking can be made through the Project Coordinator. If it is necessary to reset any stakes which have been disturbed, the Contractor must pay the Township all such costs of

re-staking at the rate of One-Hundred Dollars (\$100.00) per hour.

B. At least two working days prior to commencing construction operations in an area which may involve underground utility facilities, the Contractor shall notify the Project Coordinator, the Ohio Utility Protection Service (1-800-362-2764), the Oil and the owners of each underground utility facility, to allow surface marking of facility locations.

V. INSPECTION

The Board of Township Trustees and duly authorized assistants and agents, shall have, at all times, immediate access and right to enter upon the Work site and other Work premises occupied by the Contractor. The Contractor shall provide safe and proper facilities for permitting such entrance and for inspecting and testing purposes. Subcontractors shall have similar obligations imposed by subordinate contracts. Suppliers shall allow access for inspection and/or testing for materials being utilized as part of the contract. The Contractor shall furnish the Township with all reasonable facilities for ascertaining that the materials and Work are in accordance with the requirement and intention of the Specifications and contract, even to the extent of uncovering or removing portions of finished Work.

The Contractor shall give definite information, at any time, as to the place from which, or persons from whom, any material is being or will be procured. All materials to be used may be subjected to such tests as the Board of Township Trustees may require to assure that such materials conform, in all respects, to the requirements of the Specifications, or that they are equal in quality to samples submitted by the Contractor. All materials which do not conform to such requirements shall be rejected, and the Contractor shall remove such rejected materials from the vicinity of the Work within twenty-four (24) hours thereafter. All material used on the project must be available for inspection by the Board of Township Trustees at least forty-eight (48) hours before installation.

The inspection and supervision of the Work and materials by the Board of Township Trustees, assistants, and inspectors is intended to aid the Contractor in accomplishing the fulfillment of duties and obligations under the contract, but such inspection and supervision shall not relieve the Contractor from contract obligations, absent written waiver by the Board of Trustees.

Defective Work shall be made good and unsuitable materials may be rejected, notwithstanding that such Work and materials have been previously overlooked by the Board of Township Trustees and accepted for estimated for payment. If the Work, or any part thereof, is found, at any time before the acceptance of the whole Work and for the period of the Maintenance Bond thereafter, to be defective, or to contain defective materials, the Contractor shall make good such defects under the direction of the Board of Township Trustees.

The Contractor shall schedule inspection a minimum of twenty-four (24) hours in advance of the performance of the respective Work. At the pre-construction meeting, the Board of Township Trustees shall provide to the Contractor with phone numbers and names of a contact person and of the Board of Township Trustees's inspectors. The Contractor shall inform the Board of Township Trustees of his Work schedule and the hours that Work will be performed. The Board of Township Trustees shall approve the Contractor's schedule and hours of operation before the Contractor may begin Work.

When work is scheduled and the Contractor desires to change the approved schedule, the Contractor shall contact the Board of Township Trustee's inspector at or before 7:30 a.m. of the scheduled Work date to cancel or adjust the hours of inspection. If the Contractor fails to contact the Board of Township Trustee's inspector as stated above or if the notice is within two (2) hours

of the scheduled inspection and is insufficient to cancel attendance by the Board of Township Trustee's inspector, the Contractor may be charged for two (2) hours of inspection time at the rate of fifty (50) dollars per hour.

VI. CHANGES IN QUANTITY OF WORK

The material quantities as given in the Estimated Quantities are approximations only. The Township Trustees shall have the power to alter by increasing, decreasing or deleting the quantities of Work to be done, either before or after the commencement of construction.

If such change involves the reduction or omission of any material or Work called for in the original Bid Documents or Specifications, there shall be no right with the Contractor for any claims for losses or damages, or for loss of profit, growing out of such omission. If any such change involves additional material or labor, upon which the price is fixed in the Contract, that price shall govern. Any such change shall in no way relieve the Contractor of or affect any of the obligations hereunder.

VII. NIGHT, SUNDAY & HOLIDAY WORK

No Work requiring the presence of the Board of Township Trustee's inspectors will be permitted from 9:00 p.m. through 7:00 a.m. or on Saturday, Sunday or Holidays, except in a case of an emergency, and then only to such an extent as is absolutely necessary and by written permission of the Board of Township Trustees.

VIII. SUBCONTRACTING

All subcontractors must be approved by the Board of Township Trustees. The Contractor shall submit a written list of subcontractors and suppliers that he intends to use to the Board of Township Trustees prior to the signing of the final contract agreement. The list shall include contact name, address, cell number and office contact information.

IX. CHANGE ORDER

No deviations from the original Bid Documents and specifications set forth herein shall be authorized unless done so in writing, signed by the Board of Township Trustees specifying the exact cost of such change.

X. PAYMENT

Payment(s) shall be made in conformity to Chapter 153 of the Ohio Revised Code.

XI. PRE-CONSTRUCTION MEETING

Shortly after the contract is awarded, a pre-construction conference may be arranged to discuss the scheduling and performance of the work. The prime Contractor and each of his Subcontractors shall attend the conference. The prime Contractor shall provide at pre-construction meeting a list of the products to be used, subcontract contact information, and construction progress schedule.

XII. PRE-BID INQUIRIES/ PROJECT COORDINATOR

Any questions regarding the contents of these bid specifications should be directed to:

Dan Becker, Project Engineer
Medina County Engineer's Office
791 West Smith Road
Medina, Ohio 44256
(330) 723-9662

Questions regarding this project, scheduling a pre-construction meeting, etc. should be directed to the Township Service Department through:

Paul Magovac, Road Supervisor
(330) 220-4784

Questions concerning administrative needs, e.g. invoicing, payments, prevailing wage rates, contract agreements, etc. should be directed to the Township Trustees through:

Katherine Esber, Brunswick Hills Township Fiscal Officer
1918 Pearl Rd.
Brunswick Hills, Ohio 44212
(330) 220-8182

XII. BASIS OF PAYMENT: MATERIAL QUANTITIES

The accumulated quantities of each material used to complete these individual operations shall be totaled and tabulated by proposal. Payment will be the Unit Price Bid times the quantity of material ticketed and approved to complete each proposal.

Said Unit Price and payment shall be full compensation for furnishing and placing all materials unless otherwise noted.

XIII. MATERIALS

A. BITUMINOUS PLANT MIX

Item County Spec (C.S.) 402 - Asphalt Concrete Base Course

1. Bituminous Hot Mix Asphalt material specified as (County Spec.) CS 402 shall meet the appropriate requirements of ODOT Item 441 with the following exceptions:
 - A. All coarse aggregates used in these proposals will be crushed limestone and will conform to 703. The use of recycled aggregates or pavement grindings in plant mix is prohibited.
 - B. Coarse and fine aggregates shall be combined such that the resulting blend shall be within the following limits:

<u>Sieve</u>	<u>Total Percent Passing</u>
1"	100
3/4"	85-100
3/8"	20-45
No. 4	15-30
No. 16	10-25
No. 50	3-15
No. 200	0-5
PG 58-28	4.3%

- C. Successful proportioning has been achieved using No. 67 large aggregate and natural sand being limited to approximately 10% of the total mix weight.
- D. Previous experience has shown that proper proportioning will achieve a yield of approximately 3,200 lbs. per cubic yard.
- E. Estimated quantities illustrated on the accompanying Contractor's Bid Blanks are derived using this 3,200 lb. per cubic yard conversion factor.
- F. Allowance deviation of bitumen content from the target value be limited to + or - 0.3 percent.
- G. The quantity of bitumen added may be adjusted by the Contractor within the specified limits to produce a satisfactory mixture.

2. Preparing Existing Surface

- A. Power-brooming should be sufficient preparation for all portions of the road surface being resurfaced.
- B. Butt Joints may be needed at the start and ending of the resurfacing and at all intersections. The costs incurred to perform the subsequent butt joint operation are incidental to this item.
- C. The cleaned surface will be tacked pursuant to Item 407 included in the accompanying bid blanks prior to resurfacing.
- D. The Contractor will be required to string the edge of any course where his operator is unable to produce a continual straight pavement edge satisfactory to the Engineer.

3. Application and Finishing:

- A. Pavement mixtures shall be spread and finished in accordance with 401.15 except that the weight to volume conversion factor derived by the mixture's specific JMF shall apply.
- B. The spreading operation shall be achieved through the use of a full-size, self-propelled paver per 401.12 having a basic heated screed width of 10 feet, adjustable hydraulic side extensions, and proper overall size and weight to maintain uniform profile grade and continual material placement.

- C. Resurfacing will be restricted to paving each travel lane separately. Full-width paving of the entire pavement surface will not be allowed.
- D. The longitudinal joint from any one day's resurfacing shall not remain open for more than 24 hours. Any accumulated stone against said joint shall be power-broomed away before the joint is closed.

4. Rolling

- A. Rollers shall conform with 401.13 and there will be a minimum of two rollers incorporated in the paving train. Additional rollers may be necessary should the speed of the resurfacing warrant.
- B. Rollers may be steel tandem, 3-wheel or a combination of pneumatic tire and steel tandem at the discretion of the Contractor.
- C. Compaction of the mixture shall be in accordance with 401.16. Rolling may be delayed to avoid excessive lateral displacement in deeper thicknesses of the overlay if directed by the Engineer. Final rolling shall be continued until roller marks are eliminated.

B. ITEM 422 CHIP & SEAL APPLICATION

422.02 Materials -

1. Item 422 (CRS-2/RS-2 Bituminous Seal Coat) will be refined from asphaltic base crude, applied at the rates stipulated on the individual bid proposals and shall conform to 702.04.
2. All seal coats will incorporate a modified emulsion containing a liquid latex additive of no less than 3% of the total volume applied.
3. Cover aggregates used in these proposals will be No. 8 crushed air-cooled blast furnace slag and will conform to 703.05.

422.05 Test Strip -

Construction of a test strip will not be required to determine initial application rates. The target application rates for the Binder and Cover Aggregate are included in the Contractor's Bid Blank(s).

Adjustments to the application rates can and should be made by the Contractor to rates appropriate to the conditions found at the time of application and are to be made in accordance with 422.07 and 422.08. At no time shall the adjusted rates exceed those specified on the Contractor's Bid Blank(s) without prior approval by the Engineer.

422.09 Construction Operation -

The sealed surface shall be power-broomed within 24 hours of the initial application to remove excess aggregate. Additional costs incurred to perform the subsequent brooming operation are incidental to this item. All drive aprons that receive CS402 will be chip & sealed.

422.10 Quality Control -

1. The Township may sample any bituminous materials used.
2. It will be the Contractor's responsibility to collect these samples, representative of his production when directed by the Inspector.
3. Samples will be taken in the presence of the Township's Inspector at the job site of each course unless otherwise instructed.
4. The completed samples become the property of the Township.
5. These samples may be tested by the Township at an independent testing laboratory.
6. Determination of mix compliance will be derived from the results of these tests.
7. Failure of a product to meet the requirements of its applicable specifications may result in non-acceptance of the work and subject the Contractor to possible penalty deemed appropriate by the Brunswick Hills Township Trustees after consultation with the Medina County Engineer.

422.13 Basis of Payment -

Item 422.12 will not be used as a method of measurement for payment. The Township will pay for accepted quantities at the contract prices for the actual number of tons of aggregate and the actual number of gallons of bituminous material placed, completed, and accepted.

Permanent Traffic Paint

1. Pavement markings shall be fast dry, water based paint ready-mixed and comply with Item 740 of the CMS.
2. Glass beads shall conform to Item 740.03 Type B and will be applied at a rate not less than 15 pounds per hundred square feet in accordance with Item 642.04.
3. Official striping logs are available through the Township.

XIV. TICKETING, MATERIAL SAMPLING & TESTING

A. TICKETING

Payment will depend on an accurate and disciplined collection of weight tickets accumulated during the construction of individual Items to complete each proposal.

Consequently, the Township will require tickets daily for all materials delivered to the project site.

Surplus portions of any material remaining in a truck at the end of the completed day's work or proposal shall be re-weighed, ticketed and a duplicate copy of said ticket presented to the Township's Inspector no later than the start of the next working day.

B. MATERIAL SAMPLING & TESTING

The Township may require at least two (2) sets of twin samples during each day of resurfacing, generally (1) set morning and (1) set afternoon from each course applied.

It will be the Contractor's responsibility to collect these samples representative of his production when directed by the Inspector.

Samples will be taken in the presence of the Inspector at the job site of each course unless otherwise instructed.

The specific method of sampling will be left to the individual discretion of the Contractor except for the following requirements:

1. The completed samples become the possession of the Township.
2. These samples may be tested by the Township in an independent testing laboratory.
3. Determination of mix compliance will be derived from the results of these tests.
4. Failure of a product to meet the requirements of its applicable specification may result in non-acceptance of the work and subject the Contractor to possible penalty as described in the O.D.O.T. Construction and Material Specification Handbook Acceptance Schedule for deviations for the aggregate and as outlined below in the Acceptance Schedule for Asphalt Binder deviations.

<u>Pay Factor</u>	<u>% Deviation from JMF</u>
1.00	0
0.98	0.01-0.20
0.90	0.21-0.30
0.80	0.31-0.40
0.60	0.41-0.50
Remove and Replace	>0.50

The Contractor may have the sister sample retained by the Township tested at his expense by an independent test lab acceptable to both the Board of Township Trustees and the Contractor if he wishes to dispute the original test results. This test result will be binding.

XV. MAINTAINING TRAFFIC

A. **All roads will remain open to local traffic at all times.**

B. The Contractor will erect and maintain "Road Construction-Traffic Maintained" (OC-4) or "Road Work Ahead" (W20-1), "Loose Stone", Special "Shoulder Drop Off" signs & "DO NOT PASS" and "PASS WITH CARE" signs along the project, as well as at intermediate intersections. **These signs will be left up in place until all work is completed and approved.**

- C. The Contractor will erect and maintain supplemental traffic control devices, Type III barricades, and flagger(s) on specified stationary and mobile supports of sufficient strength, stability and reflectorized with Type G sheeting in compliance with the "Ohio Manual of Uniform Traffic Control Devices" and the Ohio Department of Transportation, "Temporary Traffic Control Manual", 2005 edition.
- D. Flaggers will wear proper attire, utilize a "Stop/Slow" paddle and maintain a "Flagger Ahead" sign (W20-7) or (W20-7a) on a mobile support no less than 150 feet in advance of his/her stationary position.
- E. Mobile signs shall be repositioned to appropriate locations periodically during the workday.
- F. Additional flaggers will also be required if a construction train becomes too long or when the construction train approaches within 100' of an intersecting roadway, commercial driveway or other major access.
- G. Any hazard created through the actions of the Contractor will prompt the Contractor to make additional efforts to protect the general public. Contractor will bear any additional expenses to provide this protection.
- H. If it becomes necessary for the Township to supplement any proposal with traffic control normally provided by the Contractor, the acting authority will invoice the Primary Contractor of all costs incurred plus a 10% penalty.
- I. Figure No.1 will be considered the minimum traffic control required to conduct traffic around the paving train.
- J. It is the responsibility of the Prime Contractor to have the necessary traffic control devices and flagger(s) on these work sites prior to the start of any work. Failure to do so is sufficient cause for the Township to suspend work.
- K. **At no time will the Township allow work to be done on both lanes of the road at the same time.**

XVI. MISCELLANEOUS CONSTRUCTION INCIDENTALS

The Primary Contractor will be held responsible for damages caused by him or his Subcontractors to any private drives, personal property, or overhead utilities resulting from associated construction work on this contract. He will also be required to repair what the County Engineer and or Township determines as flawed work at his expense.

XVII. WEATHER CONDITIONS

Application of bituminous materials will NOT be allowed under any of the following conditions:

1. When pavement surface is wet;
2. When air or ground temperature is below 60°F;
3. When weather conditions either threaten or prevent proper handling, mixing, application, or compaction of work to be performed.

XVIII. NEW MONUMENT BOXES

Existing centerline monument boxes (including any that may be buried under the existing pavement surface) will be located and spot painted by the County Surveyor before the pavement planing operation.

At locations where no monument box exists, install a new Medina County monument box after the asphalt concrete surface course has been placed. Contact the Township inspector no less than one week prior to installing new monument boxes so the proposed location can be spot painted in the field.

Use a core drill to cut a cavity for installation of the new monument box, taking care not to disturb the monument pin, and insert an East Jordon Iron Works 2966Z cast iron frame and 2965A frame in the opening. Set the monument box so that the top of the casting and cover will be 1/4" to 1/2" below the asphalt surface course. The void between the frame and the cavity boundary shall be filled with non-shrink mortar conforming to CMS 705.22.

The completed assembly shall be protected by a 1/2 " plywood covering (nailed in place) until the mortar has set sufficiently. Plywood should be no bigger than 3' x 3' square.

The unit price bid for this item shall include all labor, equipment and materials necessary to complete the work described above.

GENERAL NOTES:

FLAGGERS

1. Flaggers are for each direction shall be used to control traffic continuously for as long as a lane closure is in effect. The flagger shall be able to communicate with each other or all times.

LENGTH OF CLOSURE

2. It is required that the length of closure be kept to a minimum at all times, as directed by the Engineer, with a maximum allowable length of 3000 feet (914.4 meters). When the ambient temperature exceeds 80° Fahrenheit (27° Centigrade), the Engineer may increase the maximum allowable length of closure to allow for sufficient cooling of the pavement. The Engineer may shorten the maximum allowable length of closure to relieve excessive traffic backups or to improve traffic operation.

SIGN LOCATION AND SPACING

- 3a. The minimum spacing between work zone signs is shown in Table 1. Maximum spacing should not be greater than 1.5 times the distances shown in Table 1.
- 3b. Sign spacing should be adjusted to avoid conflict with existing signs. Minimum spacing to existing signs shall be 200 feet (60 meters) for speeds of 45 mph or less and a minimum of 400 feet (120 meters) for speeds of 50 mph or greater.
- 3c. The location of the advance warning signs should be adjusted to provide for adequate sight distance for the existing vertical and horizontal roadway alignment.

ADJUSTMENTS FOR SIGHT DISTANCE

4. The location of the flagger station and the advance warning signs should be adjusted to provide for adequate sight distance for the existing vertical and horizontal roadway alignment.

BASIC SIGNING

- 5A. ROAD WORK AHEAD (W20-1) signs shall be provided on entrance ramps or roadways entering the work limits.
- 5B. END ROAD WORK (W20-2) signs are only required for lane closures of one hour or less. If the closure is longer than one hour, it is required that these signs be provided on the entrance of all exit ramps, and on roadways exiting the work limits.
- 5C. Overlapping of signing for adjacent projects should be avoided. Signs should be placed so that the advance warning zone shall be omitted or covered during the period when both projects are active.

SIGNING DETAILS

- 6a. The Advisory Speed plaque (W3-1) shall be used when specified in the plan.
- 6b. 36 inch (914 mm) diameter warning signs may be used when the approach speed limit is 40 mph or less.

FLASHING WARNING LIGHTS

7. Type A flashing warning lights shown on the ROAD WORK AHEAD (W20-1) and END ROAD WORK (W20-2) signs are required whenever a night time closure is necessary.

CONES

- 8A. Cone spacing shall be as follows:
 - a) Spacing along the buffer shall be 40 feet (12 meters) center to center.
 - b) Spacing along the approach taper shall be 10 feet (3 meters) center to center.
- 8B. Cone sizes shall be as follows:
 - a) Cones used for daytime traffic control shall have a minimum height of 42 inches (1.1 meters).
 - b) Cones used for nighttime traffic control shall have a minimum height of 42 inches (1.1 meters).
- 8C. Provisions shall be made to stabilize the cones to prevent them from blowing over.
- 8D. A minimum of 2 cones shall be used to close the paved shoulder.

EQUIPMENT/MATERIALS STORAGE

- 9A. No equipment or material shall be located within the taper or buffer zone.
- 9B. When no work is being performed, all material and equipment shall be stored as per CMS 514.03.

AREA ILLUMINATION

- 10A. Adequate area illumination of each flagger station shall be provided at night. Use of portable flood lighting is acceptable.
- 10B. To ensure the adequacy of floodlight placement and the alignment of cones, the contractor and the Engineer shall agree on the location of the flagger station and the location of the cones. Floodlight placement and shielding shall be adjusted to the satisfaction of the Engineer.

INTERSECTION/DRIVEWAY ACCESS

11. Within the length of closure, provision shall be made to control traffic entering from intersecting streets and major drives as necessary to prevent wrong-way movements and to keep vehicle off of new pavement not ready for traffic. The contractor shall:
 - a) Place across the closed lane, either 3 drums (cones) or baricades, and/or
 - b) Provide an additional flagger at every public street intersection and major driveway.
- Cones (drums) placed across the closed lane shall be located 25 feet (7.6 meters) beyond the projected pavement edges. Standard Construction Drawing W-10-50.
- Existing stop signs shall be relocated as necessary to ensure proper location for the traffic conditions.
- The method of control shall be subject to the approval of the Engineer.

CHIP SEAL OPERATION

12. For chip seal operations, additional signing shall be incorporated in the advance warning area:
 - a) The LOOSE GRAVEL (W6-7) and FRESH TAR (W21-2) signs shall both be used in advance of the chip seal operation.
 - b) Repeat the LOOSE GRAVEL (W6-7) sign with a 35 mph Advisory Speed plaque (W3-1) every half mile per CMS 422.05.
 - c) The LOOSE GRAVEL (W6-7) and FRESH TAR (W21-2) signs shall both be used for signing of side roads intersecting the work area.

Prevailing Wage Determination Cover Letter

County: 
Determination Date: 02/19/2019
Expiration Date: 05/19/2019

THE FOLLOWING PAGES ARE PREVAILING RATES OF WAGES ON PUBLIC IMPROVEMENTS FAIRLY ESTIMATED TO BE MORE THAN THE AMOUNT IN O.R.C. SEC. 4115.03 (b) (1) or (2), AS APPLICABLE.

Section 4115.05 provides, in part: "Where contracts are not awarded or construction undertaken within ninety days from the date of the establishment of the prevailing wages, there shall be a redetermination of the prevailing rate of wages before the contract is awarded." The expiration date of this wage schedule is listed above for your convenience only. This wage determination is not intended as a blanket determination to be used for all projects during this period without prior approval of this Department.

Section 4115.04, Ohio Revised Code provides, in part: "Such schedule of wages shall be attached to and made a part of the specifications for the work, and shall be printed on the bidding blanks where the work is done by contract..."

The contract between the letting authority and the successful bidder shall contain a statement requiring that mechanics and laborers be paid a prevailing rate of wage as required in Section 4115.06, Ohio Revised Code.

The contractor or subcontractor is required to file with the contracting public authority upon completion of the project and prior to final payment therefore an affidavit stating that he has fully complied with Chapter 4115 of the Ohio Revised Code.

The wage rates contained in this schedule are the "Prevailing Wages" as defined by Section 4115.03, Ohio Revised Code (the basic hourly rates plus certain fringe benefits). These rates and fringes shall be a minimum to be paid under a contract regulated by Chapter 4115 of the Ohio Revised Code by contractors and subcontractors. The prevailing wage rates contained in this schedule include the effective dates and wage rates currently on file. In cases where future effective dates are not included in this schedule, modifications to the wage schedule will be furnished to the Prevailing Wage Coordinator appointed by the public authority as soon as prevailing wage rates increases are received by this office.

"There shall be posted in a prominent and accessible place on the site of work a legible statement of the Schedule of Wage Rates specified in the contract to the various classifications of laborers, workmen, and mechanics employed, said statement to remain posted during the life of such contract." Section 4115.07, Ohio Revised Code.

Apprentices will be permitted to work only under a bona fide apprenticeship program if such program exists and if such program is registered with the Ohio Apprenticeship Council.

Section 4115.071 provides that no later than ten days before the first payment of wages is due to any employee of any contractor or subcontractor working on a contract regulated by Chapter 4115, Ohio Revised Code, the contracting public authority shall appoint one of his own employees to act as the prevailing wage coordinator for said contract. The duties of the prevailing wage coordinator are outlined in Section 4115.071 of the Ohio Revised Code.

Section 4115.05 provides for an escalator in the prevailing wage rate. Each time a new rate is established, that rate is required to be paid on all ongoing public improvement projects.

A further requirement of Section 4115.05 of the Ohio Revised Code is: "On the occasion of the first pay date under a contract, the contractor shall furnish each employee not covered by a collective bargaining agreement or understanding between employers and bona fide organizations of Labor with individual written notification of the job classification to which the employee is assigned, the prevailing wage determined to be applicable to

that classification, separated into the hourly rate of pay and the fringe payments, and the identity of the prevailing wage Coordinator appointed by the public authority. The contractor or subcontractor shall furnish the same notification to each affected employee every time the job classification of the employee is changed."

Work performed in connection with the installation of modular furniture may be subject to prevailing wage.

THIS PACKET IS NOT TO BE SEPARATED BUT IS TO REMAIN COMPLETE AS IT IS SUBMITTED TO YOU. (Reference guidelines and forms are included in this packet to be helpful in the compliance of the Prevailing Wage law.)

BEFORE FILING A PREVAILING WAGE COMPLAINT, PLEASE READ CAREFULLY!

You May File A Complaint With This Division If:

- A. You were or are employed on the project.
- B. You meet one of the following:

- Any person who submits a bid for the purpose of securing the award of a contract for construction of the public improvement.
- Any person acting as a subcontractor of a person mentioned in (B.1.) above.
- Any bona fide organization of labor which has as members or is authorized to represent employees of a person mentioned in (B.1. or B.2.) and which exists, in whole or in part, for the purpose of negotiating with employers concerning the wages, hours, or terms and conditions of employment of employees.
- Any association having as members any of the persons mentioned in (B.1. or B.2.) of this section.

Do Not Fill Out This Form If:

- A. The project has been completed for two (2) years.
- B. You acted as an "independent contractor" and not as an "employee" of the business, or you were self-employed.
- C. You already have a judgement involving the same wage claim.
- D. The contractor has filed for bankruptcy. (If so, you will need to contact the Bankruptcy Court for further instructions.)

Filing More Than One Complaint:

- A. You must use a separate complaint form for filing against each contractor and/or project.
- B. Each claimant intending to file against a contractor and/or project must use a separate complaint form.

Completing The Prevailing Wage Complaint Form:

- A. [Download or view the form](#), then print out a copy of the form (it is a legal size document, 8½" by 11").
- B. Read all questions on the wage claim form carefully before answering. Please fill out your claim completely, legibly, and accurately. You must sign, date, and have it notarized.
- C. Provide the contractor's name, name of business, correct address, county, and telephone number. You as the claimant are responsible for providing this information.
- D. To help prove your claim, please provide copies of any documentation you have available. For example, pay stubs or a personal record of hours worked on the project. **DO NOT SEND ORIGINALS.**
- E. Be certain that your name, address, social security number, and telephone number are correct. If you do not have a telephone number, please supply this Division with a telephone number where we can reach you. If your address or telephone number changes, it is your responsibility to notify us immediately or your claim could be closed.

INSTRUCTIONS FOR PREPARING CERTIFIED PAYROLL REPORTS

General

Contractors and subcontractors are required by law to submit certified payroll reports for work on projects covered by Ohio's Prevailing Wage Law. This form meets the reporting requirements established by Ohio Revised Code Chapter 4115. The use of this form is not mandatory, employers may submit their own forms provided that all of the required information is included. This form may be reproduced, or additional copies obtained from:

Ohio Department of Commerce Division of Industrial Compliance and Labor Bureau of Wage & Hour Administration 6606 Tussing Rd. P. O. Box 4009 Reynoldsburg, OH 43068-9009 Phone: (614) 644-2239

Certified Payroll Heading

Employer name and address: Company's full name and address. Indicate if the company is a subcontractor, if so list the name of the General or Prime. Project: Name and location of the project, including county. Contracting Public Authority: Name and address of the contracting public authority. Week Ending: Month, day, and year for last day of reporting period. Payroll #: Indicates first, second, third, etc. payroll filed by the company for the project. Page Indicator: number of pages included in the report. Project Number: Determined by the public authority. If there is no number leave blank.

Information by Column

- 1. Employee Name, Address and Social Security number: This information must be provided for all employees that perform physical labor on the project. Corporate officers, partners, and salaried employees are considered employees and must be paid the prevailing rate. Individual sole proprietors do not have to pay themselves prevailing rate but must report their hours on the project.
- 2. Work Class: List classification of work actually performed by employee. If unsure of work classification, consult the Ohio department of Commerce, Wage and Hour Bureau. Employees working more than one classification should have separate line entries for each classification. Indicate what year/level for Apprentices. Be specific when using laborer and operator classifications; for example, Backhoe Operator or Asphalt Laborer.
- 3. Hours Worked, Day & Date: In the first row of column 3 enter days of pay period example; M T W T H F S S. The second row is for the date that corresponds with each day for the pay period. In the employee information section enter the number of hours worked on the prevailing wage project and which day the hours were worked. Separate rows are labeled for (ST) straight time hours and (OT) overtime hours. All hours worked after 40, must be paid at the appropriate overtime rate.
- 4. Project Total Hours: Total the hours entered for pay period.
- 5. Base Rate: Enter actual rate per hour paid to the employee. The overtime hourly rate is time and one-half the base rate listed in the prevailing wage schedule plus fringe benefits at straight time rate. The prevailing wage schedule lists the base rate plus fringe benefit amounts. These amounts added together equal the total prevailing wage rate. Employers must pay this total amount in one of three ways.
 - Total rate may be paid in entirety in the base rate to the employee; in which case, the cash designation will be checked for fringe benefits.
 - Total rate may be paid as listed in prevailing wage rate schedule with total fringe amounts paid approved plans.
 - Total rate may be paid with a combination of base rate and fringe payments to approved plans in amounts other than those listed in schedule.
- 6. Project Gross: Enter total gross wages earned on the project for straight time and overtime. Project hours X base rate should equal project gross.
- 7. Fringes: If fringe benefits are paid in the hourly base rate, indicate this by marking the cash space. If fringe benefits are paid to approved plans as listed in the prevailing wage rate schedule, mark the space Approved Plans. If fringe benefits are paid partially in the base rate and partially to approved plans, mark the space Cash & Approved plans. List the hourly amount paid to approved plans for each fringe. If payments are not made on a per hour basis, calculate the hourly fringe credit by dividing the yearly employer contribution by the lesser of: hours actually worked in the year (these must be documented) or 2080. Fringe benefits include: Employer's share of health insurance, life insurance, retirement plan, bonus/profit sharing, sick pay, holiday pay, personal leave, vacation, and education/training programs.
- 8. Total Hours All Jobs: Total all hours worked during the pay period including non-prevailing wage jobs.

PREVAILING WAGE CONTRACTOR RESPONSIBILITIES

This is a summary of prevailing wage contractors' responsibilities. For more detailed information please refer to Chapter 4115 of the Ohio Revised Code

General Information

Ohio's prevailing wage laws apply to all public improvements financed in whole or in part by public funds when the total overall project cost is fairly estimated to be more than \$250,000 for new construction or \$75,000 for reconstruction, enlargement, alteration, repair, remodeling, renovation, or painting.

Ohio's prevailing wage laws apply to all public improvements financed in whole or in part by public funds when the total overall project cost is fairly estimated to be more than \$91,150 for new construction that involves roads, streets, alleys, sewers, ditches and other works connected to road or bridge construction or \$27,309 for reconstruction, enlargement, alteration, repair, remodeling, renovation, or painting of a public improvement that involves roads, streets, alleys, sewers, ditches and other works connected to road or bridge construction.

- a) Thresholds are to be adjusted biennially by the Administrator of Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration
- b) Biennial adjustments to threshold levels are made according to the Price Deflator for Construction Index, United States Department of Commerce, Bureau of the Census*, but may not increase or decrease more than 3% for any year

Penalties for violation

Violators are to be assessed the wages owed, plus a penalty of 100% of the wages owed.

Intentional Violations

If an intentional violation is determined to have occurred, the contractor is prohibited from contracting directly or indirectly with any public authority for the construction of a public improvement. Intentional violation means "a willful, knowing, or deliberate disregard for any provision" of the prevailing wage law and includes but is not limited to the following actions:

- Intentional failure to submit payroll reports as required, or knowingly submitting false or erroneous reports.
- Intentional misclassification of employees for the purpose of reducing wages.
- Intentional misclassification of employees as independent contractors or as apprentices.
- Intentional failure to pay the prevailing wage.
- Intentional failure to comply with the allowable ratio of apprentices to skilled workers as required by the regulations established by Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration.
- Intentionally employing an officer, of a contractor or subcontractor, that is known to be prohibited from contracting, directly or indirectly, with a public authority.

Responsibilities

- A. Pay the prevailing rate of wages as shown in the wage rate schedules issued by the Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration, for the classification of work being performed.
 1. Wage rate schedules include all modifications, corrections, escalations, or reductions to wage rates issued for the project.

2. Overtime must be paid at time and one-half the employee's base hourly rate. Fringe benefits are paid at straight time rate for all hours including overtime.
 3. Prevailing wages must be paid in full without any deduction for food, lodging, transportation, use of tools, etc.; unless, the employee has voluntarily consented to these deductions in writing. The public authority and the Director of Ohio Department of Commerce, Division of Industrial Compliance and Labor, Bureau of Wage and Hour Administration - must approve these deductions as fair and reasonable. Consent and approval must be obtained before starting the project.
- B. Use of Apprentices and Helpers cannot exceed the ratios permitted in the wage rate schedules.
1. Apprentices must be registered with the U.S. Department of Labor Bureau of Apprenticeship and Training.
 2. Contractors must provide the Prevailing Wage Coordinator a copy of the Apprenticeship Agreement for each apprentice on the project.
- C. Keep full and accurate payroll records available for inspection by any authorized representative of the Ohio Department of Commerce, Division of Industrial Compliance, and Labor, Bureau of Wage and Hour Administration or the contracting public authority, including the Prevailing Wage Coordinator. Records should include but are not limited to:
1. Time cards, time sheets, daily work records, etc.
 2. Payroll ledger/journals and canceled checks/check register.
 3. Fringe benefit records must include program, address, account number, & canceled checks.
 4. Records made in connection with the public improvement must not be removed from the State for one year following the completion of the project.
 5. Out-of-State Corporations must submit to the Ohio Secretary of State the full name and address of their Statutory Agent in Ohio.
- D. Prevailing Wage Rate Schedule must be posted on the job site where it is accessible to all employees.
- E. Prior to submitting the initial payroll report, supply the Prevailing Wage Coordinator with your project dates to schedule reporting of your payrolls.
- F. Supply the Prevailing Wage Coordinator a list of all subcontractors including the name, address, and telephone number for each.
1. **Contractors are responsible for their subcontractors' compliance with requirements of Chapter 4115 of the Ohio Revised Code.**
- G. Before employees start work on the project, supply them with written notification of their job classification, prevailing wage rate, fringe benefit amounts, and the name of the Prevailing Wage Coordinator for the project. A copy of the completed signed notification should be submitted to Prevailing Wage Coordinator.
- H. Supply all subcontractors with the Prevailing Wage Rates and changes.
- I. Submit certified payrolls within two (2) weeks after the initial pay period. Payrolls must include the following information:
1. Employees' names, addresses, and social security numbers.
 - (a) Corporate officers/owners/partners and any salaried personnel who do physical work on the project are considered employees. All rate and reporting requirements are applicable to these individuals.
 2. Employees' work classification.
 - (a) Be specific about the laborers and/or operators (Group)
 - (b) For all apprentices, show level/year and percent of journeyman's rate
 3. Hours worked on the project for each employee.

- (a) The number of hours worked in each day and the total number of hours worked each week.
 - 4. Hourly rate for each employee.
 - (a) The minimum rate paid must be the wage rate for the appropriate classification. The Department's Wage Rate Schedule sets this rate.
 - (b) All overtime worked is to be paid at time and one-half for all hours worked more than forty (40) per week.
 - 5. Where fringes are paid into a bona fide plan instead of cash, list each benefit and amount per hour paid to program for each employee.
 - (a) When the amount contributed to the fringe benefit plan and the total number of hours worked by the employee on all projects for the year are documented, the hourly amount is calculated by dividing the total contribution of the employer by the total number of hours worked by the employee.
 - (b) When the amount contributed to the fringe benefit is documented but not the total hours worked, the hourly amount is calculated by **dividing the total yearly contribution by 2080.**
 - 6. Gross amount earned on all projects during the pay period.
 - 7. Total deductions from employee's wages.
 - 8. Net amount paid.
- J. The reports shall be certified by the contractor, subcontractor, or duly appointed agent stating that the payroll is correct and complete; and that the wage rates shown are not less than those required by the O.R.C. 4115.
- K. Provide a Final Affidavit to the Prevailing Wage Coordinator upon the completion of the project.

PREVAILING WAGE THRESHOLD LEVELS

IMPORTANT NOTICE

Before advertising for bids, contracting, or undertaking construction with its own forces, to construct a public improvement, the Public Authority shall have the Ohio Department of Commerce-Division of Industrial Compliance, Bureau of Wage and Hour Administration determine the prevailing rates of wages for workers employed on the public improvement. The wage determination must be included in the project specifications and printed on the bidding blanks where work is done by contract.

Instructions for Filing a Minimum Wage Complaint

There is no cost in having a valid complaint investigated by our office. Please be advised, we cannot provide legal advice or act as your attorney. Also, please note, this office is only able to pursue minimum wage for the hours that are found to be unpaid. You also have the option of pursuing your complaint privately or you may wish to contact an attorney. However, you cannot pursue your complaint through both processes at the same time.

After reviewing the guidelines below, if you believe that your situation falls within our investigatory limitations, you may file a complaint with our office.

The Bureau of Wage and Hour Administration investigates complaints involving the following:

- Minimum wage not being paid,
- Overtime not being paid,
- Unauthorized deductions, and
- Last paychecks being held.

We cannot collect wages owed for the any of the following reasons:

- Vacation pay,
- Sick leave,
- Holidays, or
- Other employment benefits promised to you.

In addition, we cannot investigate a complaint if you believe you were improperly terminated or if your employer did not properly withhold taxes, social security, etc.

In order to file a complaint, please follow these steps:

1. Fill in the form completely using black or blue ink. Please print legibly.
2. Provide copies, NOT originals, of the following; pay stubs, time sheets and any other records that will help prove your claim.
3. Use a separate sheet of paper to explain your situation, if needed.
4. Please have your signature notarized.
5. If you wish to remain anonymous, please indicate that by selecting the correct boxes on the form. Please note, you will remain anonymous until such time that wages are to be paid.
6. Submit the completed complaint form and your records to:

Division of Industrial Compliance
Bureau of Wage and Hour Administration,
6606 Tussing Road
Reynoldsburg, OH 43068

Please note, a complaint will be rejected if it does not contain complete and sufficient information. A complaint may also be rejected depending on your employment status (i.e. an exempt employee).
