PROPOSED LEGISLATION

DATE: 3/14/2022

TO: Vice Mayor Nicholas Hanek and Members of City Council

FROM: Carl S. DeForest, City Manager
Matt Jones

COPY: Mayor Ron Falconi

LEGISLATION: **ORD. NO. 23-2022** - An emergency resolution authorizing the City Manager to enter into a contract with Eclipse Co., LLC for construction of the Magnolia Drive Storm Relief Sewer project in the amount of \$604,258.82. - **1st Reading** (To be brought from Services, Utilities, Technology & Cable Committee, *Administration/Matt Jones*)

BACKGROUND: Authorization for public bid granted by City Council motion on November 8, 2021.

PURPOSE AND EXPLANATION: The proposed project will install a storm relief sewer on Magnolia Drive between Normandy Drive and North Park. Also included in the scope is replacement and upsizing of an existing storm sewer segment at the Magnolia/Westchester intersection. The new storm sewer will serve as a partial bypass of the existing undersized storm outlets into Healey Creek from Normandy, Claremont, and Melbourne Drives, diverting flow into the North Park retention basin. This will serve to reduce peak flows and erosion in this portion of the creek and will create extra capacity in the existing storm sewers on Magnolia, with the intent of reducing the likelihood of structural flooding. The project is being primarily funded by a \$500,000 grant from the Ohio Department of Natural Resources.

IMPLEMENTATION SCHEDULE: The project is anticipated to commence in early April 2022 and will take approximately six (6) weeks to complete.

Two Readings	No
Three Readings	No
Emergency	Yes
Suspension of Rules	Yes

If emergency or suspension of the rules, why the request?

It is requested that legislation is passed by emergency measure with suspension of the rules for the immediate preservation of the public peace, property, health, safety, or welfare, and providing for the usual daily operation of a municipality, and for the further reason that this project may commence and be completed during the 2022 construction season.
