The meeting convened at 6:57 p.m.

Mr. Smith moved to excuse Mr. Hanek for just cause. Vote – 2 Ayes, 0 Nays.

DISCUSSION ITEMS:

- a) **RES. NO. 54-2024** - An emergency resolution authorizing the City Manager to enter into a partnership agreement with the City of Medina for application for the Program Year 2024 Community Housing Impact and Preservation Program Grant. - **1st Reading** (To be brought from Economic Development Committee, *Administration/Grant Aungst*)

Mr. Aungst explained that this legislation pertains to the City's Community Housing Impact and Preservation (CHIP) Program. CHIP funds are given to the City by federal means. The funds are put back into the Brunswick community to rehabilitate homeowners who are considered Low-Moderate Income (LMI). This partnership also provides an additional \$350,000 in funds for the City.

Mr. Aungst noted that the Administration is pleased to be in the CHIP program and is comfortable moving forward.

Mr. Smith moved Resolution Number 54-2024 to tonight's Council Agenda of May 20, 2024, as an emergency with suspension of the rules. Vote – 2 Ayes, 0 Nays.

GENERAL DISCUSSION:

Mr. DeForest revealed that he alerted the Cable Staff that tonight's Council Meeting may start late. When Council is ready to start the meeting, they have to notify the Cable Office so that they can go live.

Mr. Smith expressed his excitement about all the growth happening in the City.

Mr. Lambert reminded about the fire station groundbreaking on Thursday, May 23rd, at 4:00 p.m.

SAFETY & ENVIRONMENT COMMITTEE

May 20, 2024

IN ATTENDANCE: Chairman Keith Kuczma, Committee Member Kristy Piper, Brandon Lambert, City Manager/Safety Director Carl DeForest, Law Director Dennis Nevar, Community & Economic Development Director Grant Aungst, Police Chief Robert Safran, Fire Chief Greg Glauner, Clerk of Council Laura Timura, News Media.

The meeting convened at 6:32 p.m.

Mrs. Piper moved to excuse Mr. Delsanter for just cause. Vote – 2 Ayes, 0 Nays.

DISCUSSION ITEMS:

- a) **ORD. NO. 58-2024** - An emergency ordinance amending Chapter 624 of the City of Brunswick Codified Ordinances. - **1st Reading** (To be brought from Safety & Environment Committee, *Administration/Robert Safran*)

Chief Safran explained that the proposed amendment would put Chapter 624 in line with Ohio Revised Code 3780 regarding adult-use marijuana.

Mr. Nevar added that the City needs to update its code to reflect adult-use marijuana and medical marijuana. For example, suppose an adult consumer of marijuana was pulled over, and it was found that he possessed marijuana. Under the current code, he would be criminally cited. The proposed amendment prohibits a criminal citation as a result of the new law in the State of Ohio that legalizes adult-use marijuana.

Mrs. Piper moved Ordinance Number 58-2024 to tonight's Council Agenda of May 20, 2024, as an emergency with suspension of the rules. Vote – 2 Ayes, 0 Nays.

- b) **RES. NO. 59-2024** - An emergency resolution authorizing the City Manager and Finance Director to enter into Guaranteed Maximum Price Amendment No. 1 with RFC Contracting, LLC. for specified sitework, concrete, asphalt, pre-purchased equipment and fire hydrant/waterline assembly for the new fire station headquarters project in an amount not to exceed \$2,345,908.00. - **1st Reading** (To be brought from Safety & Environment Committee, *Administration/Greg Glauner*)

Chief Glauner mentioned that this is one of two Guaranteed Maximum Price Amendments that will be brought up regarding the fire station. This amendment (GMP No. 1) is to preorder long-lead items, such as a generator, three main electrical supply panels, an air handling unit, and a condensing unit. The amendment is also to start construction on the site for stonework, concrete, asphalt, and a hydrant line.

Mr. Lambert expressed his excitement for the imminent groundbreaking of the new fire station.

Mr. Nevar further explained that Council adopted a resolution in October 2023, allowing the City Manager to enter into an agreement to hire a Construction Manager At Risk (CMAR) in an amount not to exceed \$800,000. The City has incurred \$26,400 in pre-construction costs for the station, leaving about \$775,000 left for payment to the CMAR. About \$190,000 of that \$800,000 was included within this GMP No. 1, which is not accounted for in the \$2,345,908.00 price. As advised by the Finance Department, the Administration wants to keep the CMAR costs and fire station material costs that this price amendment also addresses separate.

Mrs. Piper moved Resolution Number 59-2024 to tonight's Council Agenda of May 20, 2024, as an emergency with suspension of the rules. Vote – 2 Ayes, 0 Nays.

BACKGROUND: In order to comply with the Ohio Revised Code Section 5705, the City must annually adopt a tax budget and submit the tax budget to the County Budget Commission in July. This process is audited under the direction of the Auditor of State for compliance each year.

PURPOSE AND EXPLANATION: This Ordinance would adopt the 2025 tax budget and allow it to be submitted in a timely fashion to the County Budget Commission. This will allow the County Auditor to formalize next year's property tax revenue estimates that are necessary to begin the City's annual appropriation budget process. The 2025 property tax estimates are expected to be released by fall of 2024.

IMPLEMENTATION SCHEDULE: The recommended time schedule is for 3 readings with an emergency clause. The anticipated passage is anticipated to be June 10, 2024.

FINANCIAL INFORMATION:

FINANCIAL SUMMARY:

RECOMMENDED ACTION:

One Reading	No
Two Readings	No
Three Readings	Yes
Emergency	Yes
Suspension of Rules	No

If emergency or suspension of the rules, why the request?

Recommend approval as an emergency in order to allow for compliance with the filing requirements of the Ohio Revised Code, allow for timely property tax estimates from the County, and allow for the daily operations of the City of Brunswick to continue without interruptions.

**ADDITIONAL
INFORMATION:**

The Finance Director signed the submitted tax budget to indicate the document has been vetted through the Finance Department's review and process. It was also signed as a result of the agenda software process and official minute records as it cannot be changed once the agenda is set. The Finance Director's signature is in draft form until the City Council formally adopts the Tax Budget by legislation. If the City Council does not adopt the tax budget by legislation, this document should simply remain as a draft.

*The \$1,196,799 in the debt service fund has been internally earmarked to retire inside millage debt in situations that alternative funding sources may run short. Some of the stormwater outstanding debt matures in 2029 & the remainder in 2032. All of the \$1,196,799 in funds existed prior to the Fire Station Issue7 passing on May 2, 2023. The property tax receipts, bond premiums & bonds obligation payments on the Fire Station will be maintained in a separate General Obligation Bond Retirement Fire Station Sub Fund #772 as to not commingle those funds with any other. The presentation above, includes all General Obligation Bond & related sub funds combined. Special Assessment Bond sub funds are excluded above but are listed separately in this document.

Since 2013, all outstanding storm water debt has been paid from the Storm Water Enterprise Fund. Expected to continue provided revenue sources remain sufficient.

The City also has traffic signalization debt and is currently being paid from the State Highway Fund #118, provided revenue sources remain sufficient.

* Debt obligations associated with storm water drainage and improvements are budgeted to be paid off with the stormwater fee. Council authorized this fee and related Enterprise Fund via Ord#31-11. A financial statement beginning balance restatement was required for moving debt obligations from the General Obligation Bond Retirement Fund to the City's new Stormwater Management Enterprise Fund in the City's FY 2012 CAFR. However, the balance in the General Obligation Bond Retirement Fund will be used if other funding sources become insufficient.

@The Traffic Signalization and Storm Sewer Bonds were broken out separately since the revenue sources to retire the debt obligations will come from two different funds. The traffic signalization debt obligations are to be paid from revenue sources in the State Highway Fund and the Storm Sewer debt obligations are to be paid from the storm water fees collected in the Storm Water Fund. However, the balance in the General Obligation Bond Retirement Fund will be used if other funding sources become insufficient.

The estimated property tax receipts for 0.82 mills agrees to the amount listed on the County Auditor's Certificate of Estimated Resources dated January 26, 2024. Tax revenue estimate for next year will more than likely be updated by the Medina County Auditor's Office in August/September of 2024. The premium collected on the issuance of bonds should, for at least several years, cover estimated shortages in annual property tax receipts vs. debt obligation payments due. The City has established a separate G.O. Bond Retirement Fire Station Sub-Fund #772 to account for the premiums and property tax receipts for the retirement of debt obligations, not to commingle it with any other debt funds.

Note: The above includes General Obligation Bonds issued by the City but excludes OPWC loans and Special Assessment Debt. Furthermore any new projects that may be initiated after the submission of this tax budget are also excluded.
