NO. 17-2026** - An emergency resolution authorizing the City Manager to enter into an agreement with Set in Stone Contracting, LLC for the 2026 Asphalt Road Program in an amount not to exceed \$1,296,798.25. - **1st Reading** (To be brought from Services, Utilities, Technology & Cable Committee, *Administration/Jenny Zoldak*)

BACKGROUND: Authorization for public bid was granted by City Council motion on February 9, 2026. Bids were opened March 4, 2026. Five bids were received. Set in Stone Contracting, LLC was the lowest and best bid, with a bid of \$1,118,184.25. An alternate bid was placed in the bid package. That amount from Set in Stone Contracting, LLC was \$178,614.00. With the Engineer's estimate of \$1,350,000.00 we are asking to include the alternate bid for a total of \$1,296,798.25. After reviewing all the alternate bids, Set in Stone Contracting, LLC was the lowest and best combined bid. Final project amount not to exceed \$1,296,798.25.

PURPOSE AND EXPLANATION: The Asphalt Program will be performed on streets in Wards 3 and 4. The proposed project will remove and replace deteriorated concrete pavement joints/slabs/curbs and install a chip seal interlayer and asphalt overlay on portions of Cherry Lane, Westchester Drive, Landon Lane, Claridge Oval and Crestway Oval. Asphalt pavement repairs will be performed on the entirety of Gary Boulevard. A double-chip seal with fog seal will be performed on Venus Drive and a portion of Starview Drive. An asphalt surface treatment will be placed on portions of Randall Drive, Rose Drive and Sheri Drive.

IMPLEMENTATION SCHEDULE: The project is anticipated to commence in April (pending weather) and is scheduled for completion in approximately 90 days from the start of construction.
